

*Chum Karen Carter, President*

*Greetings!*

On behalf of the **Oklahoma City Chapter of Chums, Incorporated**, I would like to thank you for visiting our website.

Chums, Incorporated, established in 1946, is a national 501C3 organization of women across the United States who use their talents in service to their communities. They exemplify character and charm, honesty and humility, understanding and unselfishness along with modesty and moderation.

The Oklahoma City Chapter was chartered in 2007 as the 45th chapter. Our Chums' national theme is **Listen to the Children, enrich their lives**. In 2009, we established a scholarship program to help minority youth who pursue post high school education or training. In 2012, we officially named it the Dr. Karen M. Clark scholarship in recognition of our organizer and past president.

We hold an annual **I'm Every Women** luncheon to help raise funds for the Dr. Karen M. Clark scholarships which are awarded to graduating seniors who have excelled in academics and community service. This luncheon is our signature event where we recognize the accomplishments of women who are making lives better. We congratulate them for the work that they are doing and want them to know they are supported.

It is an honor to serve as president of the Oklahoma City Chapter of Chums, Inc. Our chapter has been well served by devoted and talented women who have donated their time and expertise to serving our community. We're looking forward to our 15<sup>th</sup> year in 2022. Stay tuned.

Again, thanks for visiting and please leave a message if there's anything additional information that you would like to have.
