(Oklahoma City) The Oklahoma City Chapter of Chums, Incorporated, is proud to announce its annual **Founders' Day Celebration**, themed "**Propelling to GREATER Heights.**" This special event will take place on **Sunday, February 22, 2026, at 2:00 p.m.** at the elegant **Quail Creek Golf & Country Club**, located at **3501 Quail Creek Road, Oklahoma City, OK 73120.**

This year's celebration is especially significant as **Chums, Incorporated proudly marks eight decades of service, sisterhood, and fun—the very essence of Chums.** For 80 years, Chums across generations have shown what it means to serve with purpose, support one another with love, and create joy wherever they go.

The program will feature **Keynote Speaker Anika Wilson Starling, Alpha Kappa Alpha Sorority, Incorporated® Mid-Western Regional Director**, who will inspire attendees with her message of leadership and community impact.

In addition, the Oklahoma City Chapter will **acknowledge Attorney Lori Combs for her outstanding efforts in feeding the hungry at the NE OKC Community & Cultural Center.** To further support this cause, **Chums are currently collecting nonperishable items** and invites the community to participate. Please contact any Chum member or visit our chapter website for details.

Founders' Day is a cherished tradition that honors the legacy and vision of Chums, Incorporated, while inspiring members and the community to continue striving for excellence and service. Guests will enjoy an afternoon of fellowship, reflection, and celebration as the chapter recognizes its achievements and looks forward to future endeavors.

The Oklahoma City Chapter invites the community to join in this celebration of heritage, service, and progress. Seating is limited, so early purchase is encouraged.

For more information, visit **www.chumsokc.org**.
